Key summary of inspection findings for parents:-

- Children develop their confidence very well and they feel safe, secure and happy in the care of staff. Staff form warm caring relationships with children.
- Staff are strongly committed to supporting all children to succeed and make progress in their learning and development helping children gain the skills they need for the future.
- Interesting activities and resources engage children's curiosity effectively. The children engage in their play and learning with enthusiasm and are motivated to learn.
- Staff's skilful interactions and planning help children to gain the knowledge and skills they need for their future success.
- The manager and provider effectively lead the team and are dedicated to providing a high-quality service.
- Children learn about keeping themselves healthy and well and enjoy healthy snacks and drinks.
- Children enjoy the soft-play room and spend time each day in the new secure outside area.
- Staff praise children positively for their efforts, achievements and positive behaviours. This helps to promote children's self-esteem and confidence effectively.
- Partnerships with parents, carers and other professional are strong. Staff work closely with all involved in children's learning.
- Parents and carers speak highly of the experiences their children receive at the nursery.
- Arrangements for safeguarding are effective. Staff know how to keep children safe and supervise them closely.
- The provider has robust recruitment processes to check new staff's suitability to work with children.
